

Collaborative Annotation Study, #1: Demographic Survey

*Required

1. ID *

Please enter the *anonymous* identifier provided to you or picked by you (NOT your real name).

2. Age (years) *

3. Field of Study *

4. Education Level *

Mark only one oval.

☐ Pre-Undergraduate

☐ Undergraduate Student

☐ Graduate Student (Master)

☐ Graduate Student (PhD)

☐ Postgraduate

☐ Other:

5. How often do you annotate resources by hand? *

For example, annotating written documents or printed resources, like maps or images.

Mark only one oval.

- ☐ Never.
- ☐ Very infrequently (months ago).
- ☐ From time to time (weeks ago).
- ☐ Frequently (days ago).
- ☐ Daily.

6. How often do you use digital real-time collaboration tools? *

For example, for writing texts collaboratively (Google Docs, Apple Pages, Overleaf), organization (Trello), or software development (Git).

Mark only one oval.

- ☐ Never.
- ☐ I use them, but infrequently.
- ☐ I use them frequently, but with few collaboration.
- ☐ I use them frequently and with much collaboration.

7. How often do you use digital annotation tools? *

For example, for annotating PDF documents (Adobe Acrobat, macOS Preview)

Mark only one oval.

- ☐ Never
- ☐ I use them, but infrequently.
- ☐ I use them frequently, but with few collaboration.
- ☐ I use them frequently and with much collaboration.

8. Do you have previous experience in using the Recogito semantic annotation tool?

*

Mark only one oval.

- ☐ No, I haven't used it.
- ☐ Yes, I have used it once.
- ☐ Yes, I use regularly, but with few to no collaboration.
- ☐ Yes, I use it regularly and collaborate with others.
- ☐ Other: _____

9. Any questions?

Feel free to drop any questions—they'll be addressed publicly before the study starts.
